

FLASHBACK

# FLASHBACKS

Grab a fleeting moment,  
Let our past sighs, fears, hopes, and loves  
Live once again.

Take a break from the present-day realities,  
Or a pause from your yet-to-be fantasies,  
And re-live all the yesterday histories  
Of our days at good ol' G.C.S.

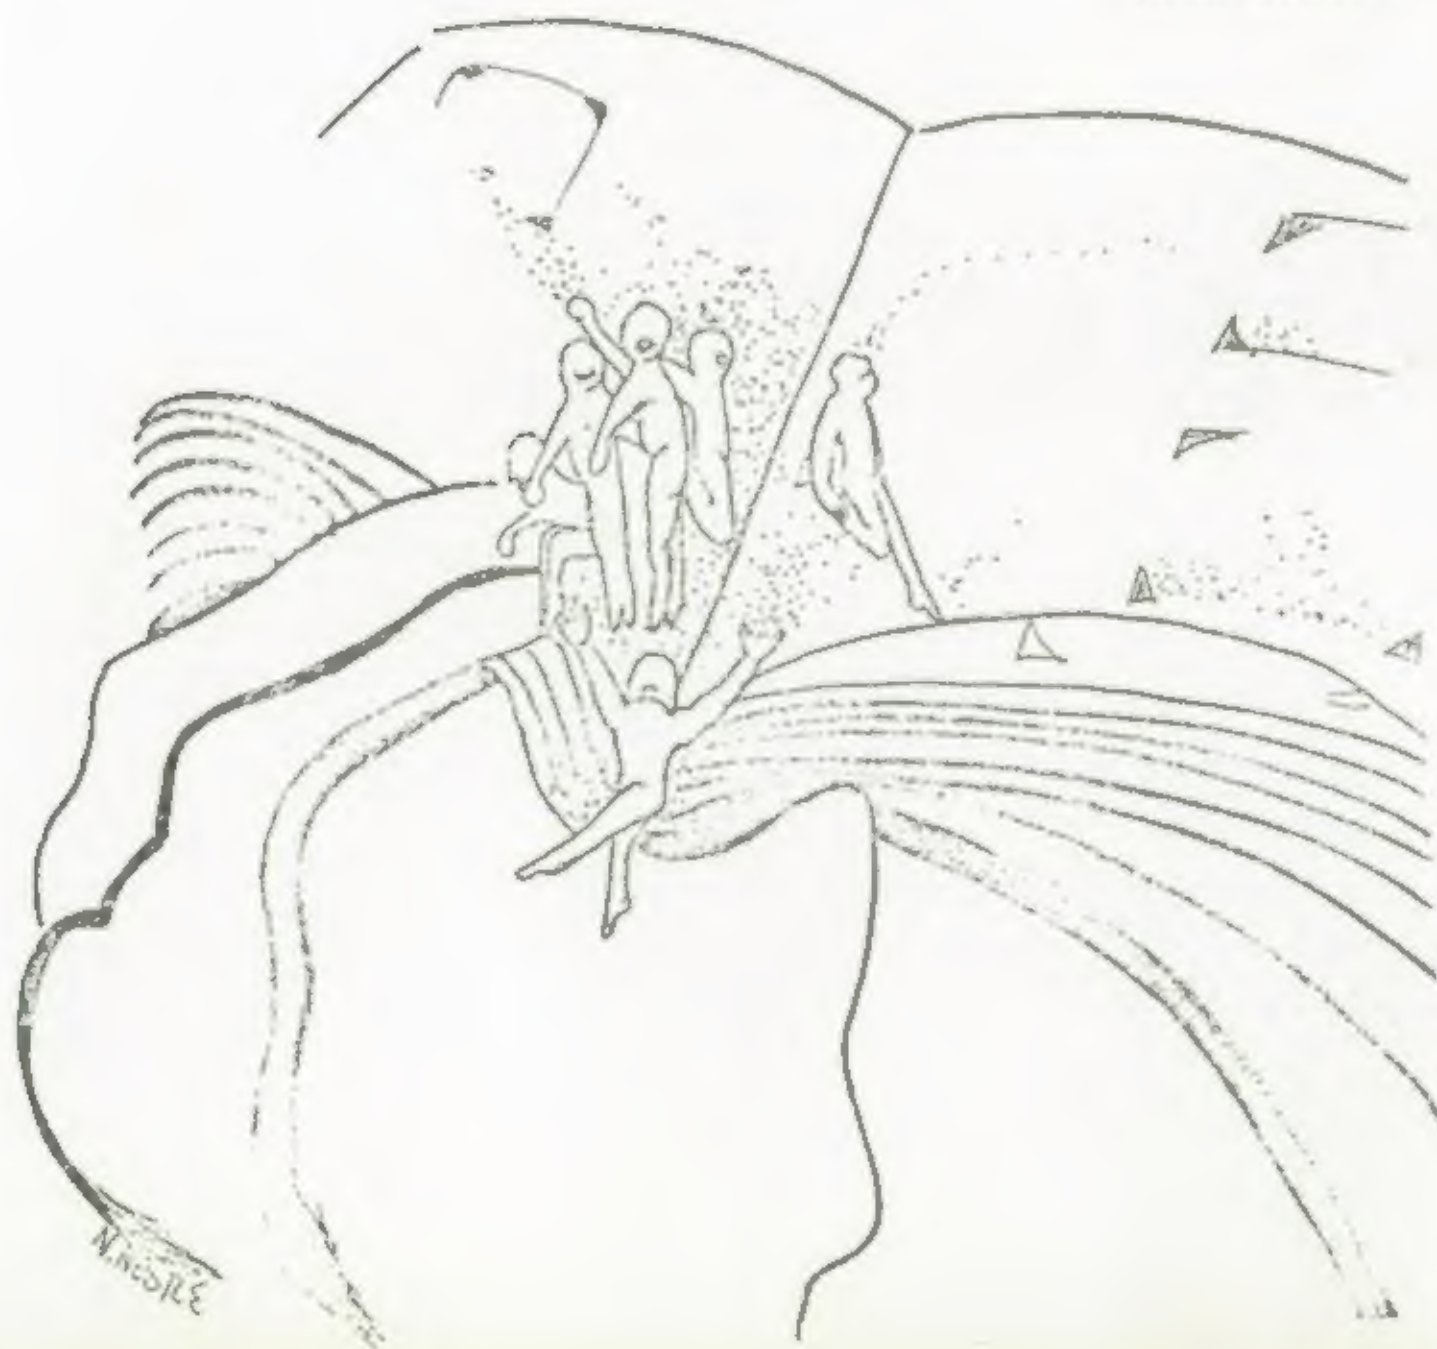

One day we'll all be gone away;  
All that will be left of yesterday's tomorrows  
Will be our flashbacks.

Open the photo album of our minds,  
Turn the page, another Kodachrome awaits.  
Experience that unique instant once more,  
And let us live forever in our immortal  
memories.

We are only mortal matter,  
But let our dreams and feelings outlast our  
time,  
And we shall outlast our own mortality.

Grab a fleeting moment,  
Let our past sighs, fears, hopes, and loves  
Live once again  
In our flashbacks.

# DEDICATION

Mr. Brooks graduated from Ellenburg Central School in Ellenburg, New York. After high school, he went on to attend Clarkson College for Mechanical Engineering. He then went on to receive a BS degree in Industrial Arts at SUNY at Oswego. Later Mr. Brooks attended SUNY at Albany and Columbia University to receive his Masters degree in Guidance.

Mr. Brooks first came to Greenwich in 1956 to fill the position of Industrial Arts teacher. He then left in 1958 to become the Industrial Arts teacher at Shaker High School in Newton, New York. After spending a year at Shaker, Mr. Brooks moved on to Fallsburg Central School in Fallsburg, N.Y. to become their Guidance Counselor. Mr. Brooks stayed in Fallsburg for three years and then returned to Greenwich in 1962 to take the position of Guidance Counselor.

Since that time, Mr. Brooks has been active in the golf team, the cross country ski club, and many other school activities in addition to guiding students. He has become more than a Guidance Counselor—he has become a friend.

The Class of 1983 would proudly like to dedicate their yearbook to Mr. Donald Brooks, in appreciation for all the time, care, and effort he has devoted to us. He has helped tremendously in planning both our high school years and the years which lie ahead.

## MR. BROOKS

# FAREWELL . . .

## MRS. MERRILL

Mrs. Merrill came to Greenwich in 1961 to begin her twenty-two years of teaching here. She had previously taught at Schuylerville, Sauquoit Valley, Gran Gorge, and Rocksbury.

Over the years Mrs. Merrill has taught hundreds of students upper level mathematics. She has helped in making these difficult subjects a little easier to understand.

Mrs. Merrill retired in January, 1983-she will definitely be missed.

We, the students and staff of GCS, would like to wish Mrs. Merrill all the happiness, health, and success in her future years of retirement.

# WELCOME . . .

## MR. JENSEN

Mr. Jansen arrived at GCS in January to fill the vacancy left by Mrs. Merrill. We would like to welcome him and wish him much success and happiness in future years.

## MR. COPELAND

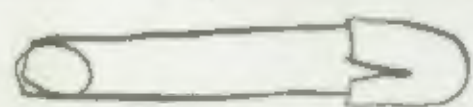

Mr. Copeland took over for Mr. Brooks, who was on sabbatical, in January. We would like to thank him for all his help and we hope that he had an enjoyable semester.

There is one basic law that governs your future. Your understanding of that one law will have a direct effect on how far and how fast you advance, and what successes you will enjoy

This law states that you will be rewarded in fair proportion to the service you give. Your pay, promotions, and financial security will be related to the service you provide. All attempts to sidestep this law will result in failure. By not working up to your potential, being late, being careless in your work, you only cheat yourself. Our worst enemy is the mistaken belief that we can receive more than we earn

If you play fair with this law and do the best you can, you will be rewarded with the successes you seek. Just "getting by" isn't enough

It's your future: Make The Most Of It'

## *MESSAGES TO THE SENIORS*

Your graduation from Greenwich Central is a special occasion for you and your family. Only slightly over 75% of the youngsters in our county stick to the task until it is completed. I am very pleased you have done so

Try not to remember just this yearbook and this. Your kindergarten through 12th grade process was designed to help you grow and develop into a young adult. If you have taken part in the clubs, events and sports teams, then you have developed friendships that will last a lifetime

My best for your health and happiness

# CLASS HISTORY

## 1970-1983

Our first look at junior high life was in September of 1979. We all dreaded Mr. Morabito and his 15 page papers but somehow we struggled through with a little help from our less demanding teachers. Leading us in these trying times were Bob Johnson as president, Linda Dixon as vice president, Robin Sheridan as secretary and B.J. Linnett as treasurer.

With the promise of control of the junior high we entered the eighth grade. Linda Dixon was our president, Bob Johnson our vice president, Elaine Brooks our treasurer, and Mike Traver our secretary.

In ninth grade our class officers, president, Liz Davis, vice president Linda Dixon, secretary Mickki Davis, treasurer, Susan Corey, and our class advisors, Mr. Roods and Mr. Wells, urged us to concentrate on our magazine drive. With Mr. Porter's assistance, we conducted the largest drive ever at GCS.

Tenth grade greeted us with tales of Punxsutawney and Mr. Holmes' rendition of "Julius Caesar". Our president was Shawn Stewart, vice president was Linda Dixon, secretary was Mickki Davis, and treasurer was Susan Corey. They worked with class advisors, Mr. Roods and Mr. Wells, to help us make the momentous decision of which class rings to order.

Our first adult event was The Ring Banquet in our junior year. We held it at Marty's with Mr. Holmes as our guest speaker. President Shawn Stewart, vice president Kathy Murphy, secretary Mickki Davis, and treasurer Susan Corey organized a Jr./Sr. Alumni Semi-formal during Christmas vacation. Then our thoughts quickly turned to the prom. After much discussion we chose "Time For Me To Fly" as the theme. We elected Mike Traver and Susan Corey as our King and Queen. Our attendants were Steve Peluso and Karen Vurraro, Andy Spigner and Kathy Murphy, and Shawn Stewart and Diana Cristadoro. After the prom we had dinner at Mangino's and breakfast at Hebert's.

Shawn Stewart led us into our senior year with Sandy Rymph as vice president, Mike Traver as secretary, and Susan Corey as treasurer. Our first outing as seniors was the class picnic on October 3, at the Salem Fish and Game Club. As we look back on these past few years, we feel regret because we are leaving so much behind us and hope because there is so much more for us to find.

# IN MEMORY OF BRENDA K. NOLAN

ode to a friend

as the night descends  
brushing the earth with the shadows of twilight  
memories stir

we flounder as captives in echoes of time  
in the ringing of laughter long past  
but the sharpness of loss lights a flame in our hearts  
and we ache at the emptiness cast

we think, as we smile, of the way things should be  
the things you should be here to share  
we ache for your absence, for the part of us gone  
for your peace, and the way that you care

now life is devoid of your easy, light humor  
of your innocent hope and your fun  
we wish you were back here to lighten our hearts  
to race in the ultimate run

we gaze to the stars, to the unspoken secret  
the single untarnished belief  
we try to accept that you're still alive somewhere  
angry at us for our grief

we're with you now, Brenda, you're in all our thoughts  
for the friendship you gave us so free  
we think of you smiling and weeping at once  
of all that is gone that should be

as the day rises gently  
caressing the earth with soft pastels  
you live on timeless within immortal memories

# CLASS PROPHECY

In the year 2003, the 20th year reunion of the Class of '83 was held at the Greenwich Elks' Club

Present at the reunion was the Bowowows' lead singer Amy Patterson, shocking classmates with her new haircut- a Mohican.

Unfortunately, Nancy Nestle and Herb Skelton were unable to attend. Nancy was painting church ceilings in Italy, and Herb was last seen on the streets of Paris drawing portraits.

Also present at the reunion was millionaire Robin Sheridan. She earned her first million dollars when her renovations on an old hotel became an instant success.

In the corner, signing autographs, was disc-jockey, Cliff Jones.

Rev. Ken Brown, leader of a new cult, arrived with his following which included Eaine Brooks, Lisa Ives, Sherry Jamieson, Sue LaCrois, Cathy Medick, Marie Williams and Dawn Aubin.

5 Star general Richard "Tex" Beaton arrived in a jeep and is presently leader of the first all woman combat brigade, made up of Stacy Greaves, Angela Beadle, Sandi Bardwell, Stacy Monroe, Adrienne McVicker, and Tracy Somma.

The crowd was shocked when Ann Snel and Andy Spigner, the stars of the new movie smash, "On Henderson's Pond," arrived. They were taking a break from their rigorous filming schedule. As usual, Andy was surrounded by faithful body guards, Lisa Reiszal and Linda Dixon.

The entertainment was provided by two of the greatest rock bands of all time, the members coming from the Class of '83.

One was the "Randy Moy Band," members including Taylor Henderson, LeRoy Osberg, Ron Eastman and, of course, Randy Moy.

The other was the famous "Sarge & the AWOL Band," which interrupted a world tour just to attend. The members of the band were Sean Garrow, Kyle Mosher, Bob Bradley, and Tom Sarge. Almy. They topped the charts with their hit single, "Going AWOL." They say they owe their success to road manager, Mike Kent.

Not far behind were groupies Shirley Bain, Sherry Goffrey, Jackie Polchowski, and Melissa Norton, and road crew Kevin Toane, Scott Cofrancesco, and Kevin Karp.

Jerry Squires, Middle Falls Fire Chief, had to use his fire fighting skills to put out a fire started by pyromaniacs Tim Tullio and Kim Coffin. They set fire to Playboy Bunny Dianna Cristaldi's tail.

Liz Davis and Ruthy VanGilder, president and vice president of the K Mart chain, attended with the store's present owner, Tammy Brown. I

The reunion was interrupted by the sound of hundreds of motorcycles, namely the Honda Motorcycle Gang. Riding were classmates Bob Duchane, Bob Barnes, Ron Facin, and on the three wheeler, Rich Esola. But since the SWAT team was present, composed of former hockey players Sue Corey, Micki Davis, Sue Worth, nation, and Heidi Meek, trouble was averted.

Refreshments were provided by Snan Bakery, which is owned by Michele Snan and operated by Michele Townsend, Cheryl Tracy, Shirley Waite, and Kim Fisk.

Gospel singers Mary Ann Stewart, Tina Becker, Katy Adams, and Lisa Proff were also in attendance.

Unfortunately, nuclear physicist and biochemical engineer Gerry Grimes was unable to attend. He was in the middle of intense experimentation on a possible cure for athlete's foot for sufferers Jim Claus, B. J. Linnett, Steve Peluso, Shawn Stewart, and Mike Traver, with assistants Lois Brunsger, Stan Matyka, Laurie Cox, and Kellie Medick helping him.

To the amazement of the crowd, World Wide Wrestling Federation champion "Keith 'Pretty Boy' Perquim" showed up with manager Bob Harsha. The crowd went wild when he head-butted Allen Sebast.

Hired by the Cass of '83 were Matahi men Dave Blings, Dan Frechern, Dave Rice, Charlie Waite, and Tim Bain. They were hired to knock off prophecy writers Cathy Gies and Tracy Hebert. But those two couldn't make it anyway. They were in Intensive Care, recovering from a previous assassination attempt. Presently, they are under the care of Dr. Karen Verraro. On the nursing staff at the same hospital are Sherry Miner, Winnie Sinnerer, Cathy Blake, Boh Lawrence, and Carol Davis.

Also in attendance were flower children Bob Johnson, Becky Jennings, Yvette Jansen, Mike VanSchack, Kathy Murphy, and Mike O'Neil. They were passing out "Peace" bumper stickers and they were dressed in togas and were wearing flowers.

Many were stunned when Ringling Brother Barnum and Bailey Circus fat lady Sandy Rumph had to be pried in the door by tattooed lady Karen Degner.

Once everyone got over the initial shock of seeing old classmates, they had a great time and made plans for the next reunion.

## YVETTE JANSEN HOLLAND

Hi at first I want to introduce myself. I'm Yvette Jansen, an AFS exchange student from Holland who lived with the Lawrence family in Greenwich. Though I already graduated in Holland, I was a senior here.

One of the objectives of AFS is to try to know more about another country with a different culture. The school makes up a big part of the community. To learn more about American life I went to Greenwich High School. The school systems are different from each other, but it didn't take me long to get used to it. Yes, there were a lot of things which surprised me (the pledge and fire drills for example) but it is easier to get used to something new than to lose an old habit. In the beginning it was especially hard to get to know the people. You miss your own friends and it's not easy to make new ones. You can not always explain what you want or feel because you don't know the words for it. Fortunately there were some nice kids who helped me by translating things and told me the way I had to go (I'm still thankful for that). There are not many big differences between the school systems, but a lot of little ones. For example, in Holland we didn't have a locker, warm lunch, homeroom, pledge to the flag, fire drills, sports after school, passes for being late or for the bathroom, studyhall or the senior lounge. You see, little variations that make one big distinction. The difference I didn't like was that you needed an explanation or a pass for everything. I was not used to that, because in my school at Holland you could make more decisions on your own.

What I liked most were the sports after school. In Holland, when you wanted to do sports you would have to go to another club and mostly it was one or two times a week. In the U.S. you have more chances to get better and you are more stimulated because there are more games.

This was an important year for me, not to pass my exams, but because it was a big challenge. I don't only know more about the American life but also a bit more about myself. I hope that more exchange students will come to your school. I want to thank everybody for the hospitality and the chance they gave us (Hartmut and me) to know more about this country; and, also to tell about our home countries.

Thanks a lot, and I hope I will meet you again.

Every airplane must return!

Love, Yvette

## HARTMUT RHEIN GERMANY

I have had a super time here in Greenwich, and I am very optimistic that it will continue. Not only my host family here, the Briglins, but also your teachers and students have made my AFS year so positive.

I think that I have been lucky to have been placed in Greenwich Central School. It is in fact a very good school. The school's personality gives it a pleasant character. High academic standards are required from the students here. It was easy to get to know many students, and become involved in school.

Here in Greenwich students and teachers know each other, and as a result they are friendly and care about each other. This is something missing in my German school since it is bigger. In Germany, I only know some of the boys and girls in my class and am a member of only a few clubs. Students and teachers are much more impersonal.

The courses I took here always kept me busy and sometimes I just hated the work, especially when there was too much of it. On the other hand, the courses were important to me. English helped me to pick up the American language and improve my expression. American studies and American government were the most interesting courses for me because I can't take them in Germany. Advanced biology grabbed my interest. Mathematics has helped me to improve my math skills.

But school here was not only learning, work and studying. I also had a lot of fun. Chorus, Swing Choir, AFS and of course the Cross-Country team made it easy to get involved in school and make new friends. These things made it easy for me in school.

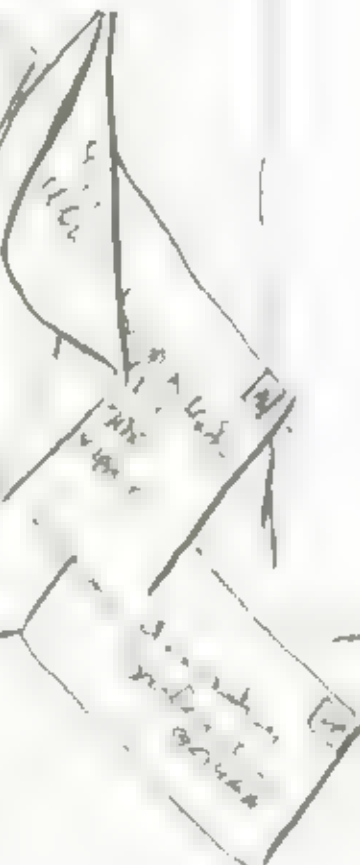

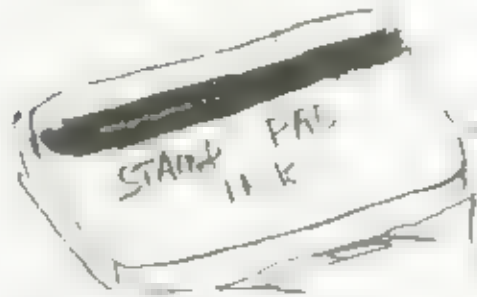

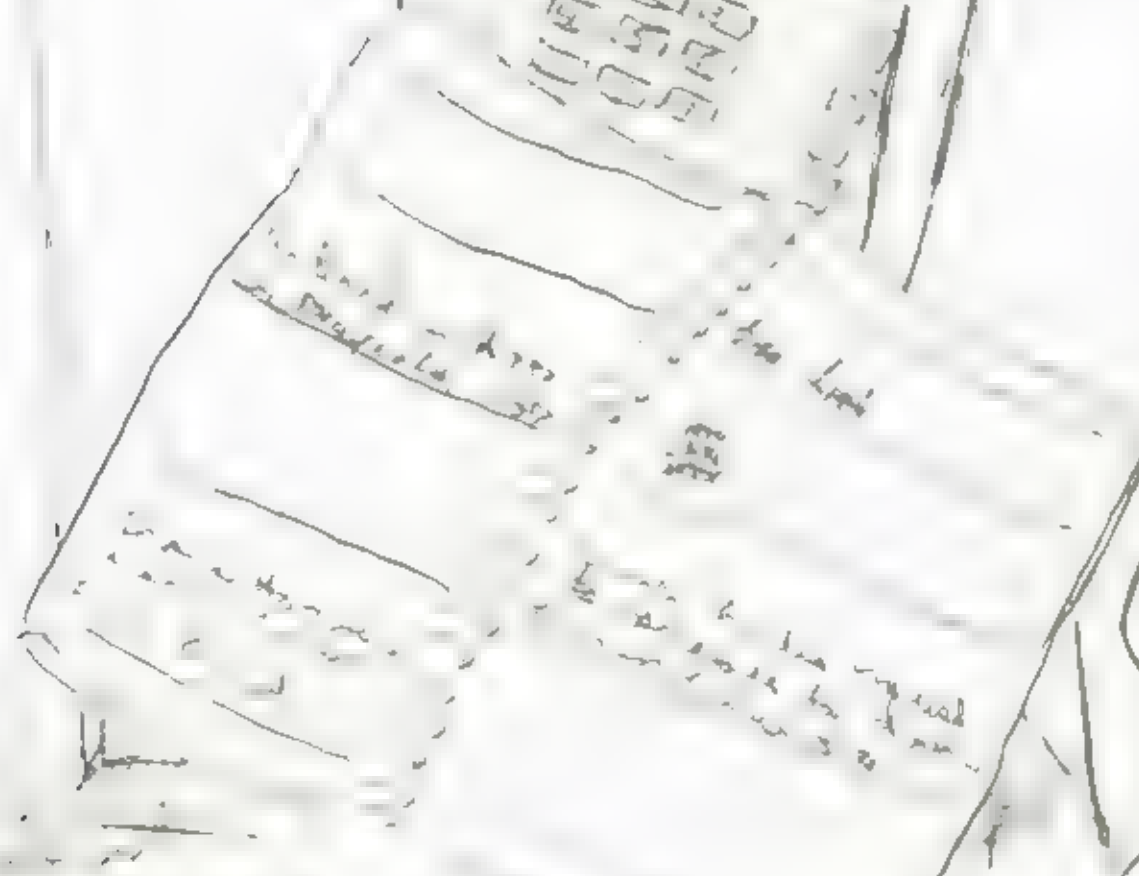

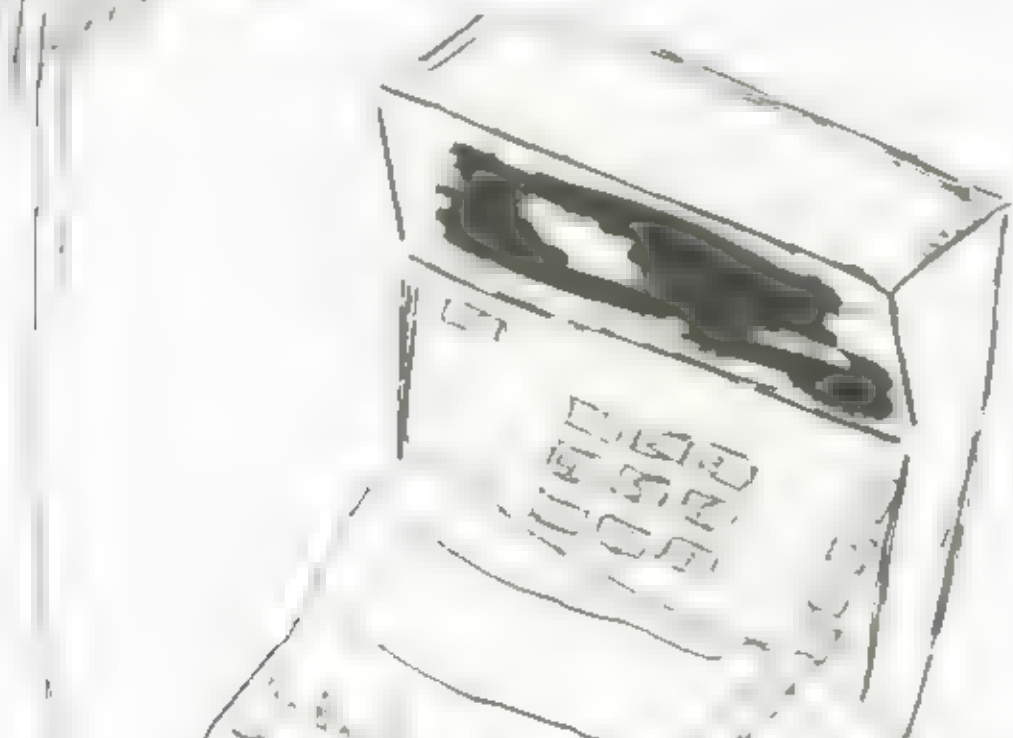

I thank the Greenwich School Community which had a lot of work and also some trouble with me. I thank the teachers and the students that I worked with. You made it easy for me to get used to another school and its different system. You showed patience with my more broken than spoken English. Furthermore, you accepted me as I am, with my mistakes. And some of you have become close friends of mine.

Thank you all so much  
Yours  
Hartmut

# WRESTLING

The wrestling program underwent further development this year. Last year's wrestling club became a team. Those junior and senior boys students who were members of the team were required to attend daily practices and then competed against other teams.

The team had matches with Haverly, Lenoir (BA Warrensburg), Berlin, Selma, and Cambridge. Although the team did not obtain high scores against these schools, some individual boys were able to obtain wins.

The boys had much to learn in the way of moves, holds and technique. Each team member improved. Few others realize the amount of time and energy involved in being a wrestler. Any student who can go out on the mat and wrestle another student one on one deserves recognition and encouragement from his team and classmates.

The team and their coach would like to thank Coach Rogers and Red Brown for the time and effort.

## MAN BEHIND THE SCENES

Kevin Karp has played an important, but invisible, part in the staging and production of nearly all activities put on by this school in the past 5 years

Some of the activities in which he's been involved include doing the lights for theatrical and musical shows and acting as a general stage hand

In addition to these roles he has also been a great assistant in the library. He has been Mrs. Boeker's reliable newspaper boy for the last 5 years. He has taken care of the AV equipment. He has seen to it that the equipment was delivered to those faculty members who requested it and, he has also seen to it that it was in good repair

During the past year Kevin has been involved in yet another major project. He has been acting as an errand boy for the yearbook. He saw to it that material was transported between the yearbook staff and the photographer. He has taken many pictures for the yearbook-candid, faculty pictures, group shots, etc.

Kevin is known throughout the school for his cheerful face and helping hand. He is almost unparalleled in his commitment to making the school day better by paying attention to those things everyone else takes for granted.

To Kevin Karp-THANK YOU from all of us at GCS

Kevin M. Karp

Carol S. Davis

## EDITOR IN CHIEF

Few people realize the time and hard work involved in being editor of the yearbook.

This year's staff was lucky to have an editor who was reliable and dedicated. Although our editor is a quiet sort of person she has done a tremendous job of performing her duties.

Carol Davis applied for the position last spring. She was selected from those who applied for those qualities which are needed to get the job done - dependability, reliability, and dedication.

Row 1: Mrs. Niles, K. Mosher, C. Morrison, R. Dansello, K. Towne. Row 2: K. Karp, D. Estramonte, B. Hebert, B. Zink, M. Clifford. Row 3: K. Towne, H. Skellie, N. Nestle, K. Degner, R. VanGuilder, L. Reiszal, A. Snel.

The staff's main objective is to produce a yearbook which captures the names and faces of those people involved in the numerous activities here at school.

Staff members must do layouts, crop pictures and type copy. They must try to include all aspects of school life. The task is time consuming and requires a great deal of hard work and dedication.

We have other duties in addition to the actual production of the pages in the yearbook. We must also raise the money to pay for the publication of the book. This is done through the sale of the yearbooks and advertising.

Anyone interested in performing these functions should join next year's staff.
